

Polo Moderno

PMODERNO-20-WW-85

VOLTRON® professional LED lighting for gardens/parks or car parks/driveways. Unique concept with high light output (> 140Lm/W) and special lenses that ensure a wide light distribution. The luminaire is built according to the circular principle: power supply and light source can be replaced quickly and easily. The waterproofness is achieved with a unique ALU inner housing instead of aging rubbers because of moisture and UV light. The luminaire is constructed from anodized ALU 80x60x4mm with base plate. Type : PMODERNO-20-WW-85 : 20W - 2700K - CREE XBD Power LEDs (10x) - 2845Lm - Power supply MeanWell included - IP65 - Height = 850mm - Color = black (AkzoNobel). Warranty = 5 years.
